## CLASS of

### 2008

Lip Sync this year was awesome; all of the acts were fabulous. The Dynamic Duos deserved the win. The group that performed Michael Jackson's Thriller did great. Mr. & Mrs. Burgess were hilarious performing Sonny & Cher, especially when his mustache fell off! This year's Lip Sync was definitely the best yet and I know that I'll never forget it!

# Spotlight

Mrs. JoAnn Aleman was chosen as a spotlight teacher. She is the English Department Head and has been teaching for over thirty years. Mrs. Aleman is a graduate of Belleville High School and Southern Illinois University of Edwardsville. Teachers she had appreciated in her days as a student inspired her to become an educator. Mrs. Aleman truly enjoys being with students and hopes to teach them valuable lessons. She wants her students to "attain the glory it means to be human and alive."

Some of Mrs. Aleman's students said of her: "She is the most intelligent person I have ever known. Every day in her class is a day to learn more and grow as a person"; and, "My mother is a pretty smart lady, but Mrs. Aleman makes my mom look dim-witted."

The Class of 2005 would like to thank Mrs. Aleman for her dedication and passion for teaching. She is constantly there for students and will always lend a helping hand. Thank you, Mrs. Aleman!

# Teachers

Mr. Steve Knogl was chosen as a spotlight teacher. He teaches Math and coaches wrestling. He graduated from Granite City South, going on to University of Illinois and becoming a civil engineer. After that, Mr. Knogl went to Southern Illinois University of Edwardsville to receive his teaching certificate and finish up a Math degree. Mr. Knogl was interested in teaching because while he was an engineer, he often tutored friends and family in math and science. He loves his job because of the students themselves. "They are always entertaining." Mr. Knogl would like to instill problem solving skills in his students. "I want them to have the ability to be creative and to be fearless enough to ask questions."

Students of Mr. Knogl have nothing but good things to say of him. One student said, "Mr. Knogl always makes class fun and interesting." Another student raved, "I loved going to Algebra class every day. The lessons I learned were wonderful and I will always remember Mr. Knogl for his commitment and enthusiasm."

The seniors would like to thank Mr. Knogl for being such a super teacher. He is known for his brute strength and eagerness to assist students! Thank you, Mr. Knogl!
